SETTLEMENT AGREEMENT AND [PROPOSED] ORDER APPROVING SETTLEMENT
 No. C 07 03008 MMC

1 reason of any and all known and unknown, foreseen and unforeseen bodily and personal injuries,
2 damage to property and the consequences thereof, resulting, and to result, from the same subject
3 matter that gave rise to the Lawsuit, including any claims for wrongful death, for which plaintiff
4 or her heirs, executors, administrators, or assigns, and each of them, now have or may hereafter
5 acquire against the United States of America, its agencies, agents, servants, or employees.

6 3. Plaintiff and her heirs, executors, administrators, and assigns hereby agree to
7 accept the Settlement Amount in full settlement and satisfaction of any and all claims, demands,
8 rights, or causes of action of whatsoever kind and nature, arising from, and by reason of any and
9 all known and unknown, foreseen and unforeseen bodily and personal injuries, damage to
10 property and the consequences thereof which they may have or hereafter acquire against the
11 United States of America, its agencies, agents, servants, or employees on account of the same
12 subject matter that gave rise to the Lawsuit, including any future claim for wrongful death.
13 Plaintiff and her heirs, executors, administrators, and assigns further agree to reimburse,
14 indemnify, and hold harmless the United States of America, its agencies, agents, servants, and
15 employees from any and all such causes of action, claims, liens, rights, or subrogated or
16 contribution interests incident to or resulting from further litigation or the prosecution of claims
17 by plaintiff or her heirs, executors, administrators, or assigns against any third party or against the
18 United States of America, including claims for wrongful death.

19 4. This Agreement shall not constitute an admission of liability or fault on the part of
20 the United States of America, its agencies, agents, servants, or employees, and is entered into by
21 and between the parties for the purpose of compromising disputed claims and avoiding the
22 expenses and risks of litigation.

23 5. This Agreement may be pled as a full and complete defense to any subsequent
24 action or other proceeding involving any person or party which arises out of the claims released
25 and discharged by this Agreement.

26 6. The Settlement Amount represents the entire amount of the compromise
27 settlement. The parties will each bear their own costs, attorneys' fees, and expenses, and any
28

1 attorneys' fees or liens owed by plaintiff will be paid out of the Settlement Amount and not in
2 addition thereto.

3 7. It is also understood by plaintiff that, pursuant to Title 28 , Section 2678 of the
4 United States Code, attorneys' fees for services rendered in connection with this Lawsuit shall
5 not exceed 25 percent of the Settlement Amount.

6 8. Payment of the Settlement Amount will be payable to "Adams Nye Trapani Becht
7 LLP Trust Account."

8 9. Plaintiff has been informed that payment of the Settlement Amount may take sixty
9 days or more to process, but defendant agrees to make good faith efforts to expeditiously process
10 the payment.

11 10. The parties agree that should any dispute arise with respect to the implementation
12 of the terms of this Agreement, plaintiff shall not seek to rescind the Agreement and pursue her
13 original causes of action. Plaintiff's sole remedy in such a dispute is an action to enforce the
14 settlement in the United States District Court. The parties agree that the United States District
15 Court will retain jurisdiction over this matter for purposes of resolving any dispute alleging a
16 breach of this Agreement.

17 11. In consideration of payment of the Settlement Amount and this Agreement,
18 plaintiff hereby releases and forever discharges the United States of America and any and all of
19 its past and present officials, employees, agencies, agents, attorneys, successors, and assigns from
20 any and all obligations, damages, liabilities, actions, causes of action, claims, and demands of
21 any kind and nature whatsoever, whether suspected or unsuspected, at law or in equity, known or
22 unknown, arising out of the allegations set forth in the pleadings in the Lawsuit.

23 12. California Civil Code Section 1542 provides as follows:

24 A general release does not extend to claims which the creditor does
25 not know or suspect to exist in his or her favor at the time of
26 executing the release, which if known by him or her must have
27 materially affected his or her settlement with the debtor.

28 Plaintiff, having been apprised of such language by her attorney, and fully understanding the

1 same, nevertheless waives the benefits of any and all rights she may have pursuant to Section
 2 1542 and any similar provisions of federal law. Plaintiff understands that, if the facts concerning
 3 her injuries and the liability of the defendant for damages pertaining thereto are found hereinafter
 4 to be other than or different from the facts now believed to be true, this Agreement shall be and
 5 remain effective notwithstanding such difference.

6 13. This instrument shall constitute the entire agreement between the parties, and it is
 7 expressly understood and agreed that this Agreement has been freely and voluntarily entered into
 8 by the parties with the advice of counsel, who have explained the legal effect of this Agreement.
 9 The parties further acknowledge that no warranties or representations have been made on any
 10 subject other than as set forth in this Agreement. This Agreement may not be altered, modified,
 11 amended, or otherwise changed in any respect except by writing, duly executed by all parties and
 12 their authorized representatives.
